July 11 - Praying with Lior

Faith can be Simple...

This film questions whether someone with Down syndrome can be a spiritual genius. Many believe Lior is close to God -- at least that's what his family and community believe -- though he's also a burden, a best friend, an inspiration and an embarrassment, depending on who is asked and when. As this documentary moves to its climax, Lior must pass through the gateway to manhood - his Bar Mitzvah

August 22 - Keeping Up with the Steins

Something's not quite kosher with this family...

Join Benjamin Fiedler, a 13-year-old boy using his upcoming bar mitzvah to reconcile the strained relationship between his father and grandfather. This film also provides a hilarious commentary on how bar and bat mitzvahs have become an excuse to throw outrageously lavish parties, rather than coming of age for their son or daughter.
